

### 2010-2011 Perkins Purchasing Guide Addendum

For the 2010-2011 school year, the allocation for every school district or LEA in Montana will be 10 percent more than in 2009-2010. The increase in allocation comes from the Perkins reserve funds. Reserve funds are targeted toward specific state-wide initiatives, in this year's case - teacher professional development.

On the 2010-2011 Perkins E-grant application, this targeted spending must be reflected on the funding distribution page and budget pages. At least 10 percent of the proposed purchases **must** be for teacher professional development from an OPI CTE approved vendor/provider. Approved vendors include ACTE, MACTE, state and national teacher organizations as well as any accredited two- and four-year college in Montana or neighboring states. See below for the list of Preferred Providers. This list will also be posted on the OPI CTE Web site of approved vendors/providers. If schools wish to provide their own inservice, please contact us.

Approval will be based on Perkins law. If you are unsure whether a provider not on this list qualifies, please contact Renee Harris by e-mail, [rharris3@mt.gov](mailto:rharris3@mt.gov) or by telephone, (406) 444-2059 or Brad King by e-mail, [bking2@mt.gov](mailto:bking2@mt.gov) or by telephone, (406) 444-4451. The additional funds may be used for registration costs, travel, hotels and substitute pay. Perkins reserve funds may **not** be used for meals or cost of tuition/credits (which benefits the individual teacher, not the students or program).

## 2010-2011 Perkins Professional Development Preferred Providers

American Association of Family & Consumer Sciences – AAFCS

American Welding Society - AWS

Association for Skilled and Technical Sciences - ASTS

Association of Technology Management and Applied Engineering - ATMAE
